

## DECKS AND PATIOS

### PERMIT REQUIRED FOR:

- All decks over 30 inches in height require both a Building and Zoning permit.
- All decks under 30 inches in height or patios require a Zoning permit only.

### HOW DO I OBTAIN A PERMIT?

You will need to complete an application and submit it to the **Building Department**. It will require:

#### 1. Plot plan

Showing property lines and dimensions and the size and location of the proposed deck, indicating distances from the proposed structure to the property lines.

#### 2. Construction Details

For decks over 30" please submit construction drawings showing elevation views, height and a section view.

#### 3. Project Location Staking

Applicant must mark the proposed deck location by either spray painting or staking on the property and identifying property pins in preparation for City inspection.

#### 4. Payment for Permit

The zoning permit fee is **\$50** and the permit is valid for one year. For decks over 30" additional review fees will be required.

#### 5. Building Inspection

For decks over 30", you will need to call the Building Department at (330) 689-2729 for necessary building inspections.

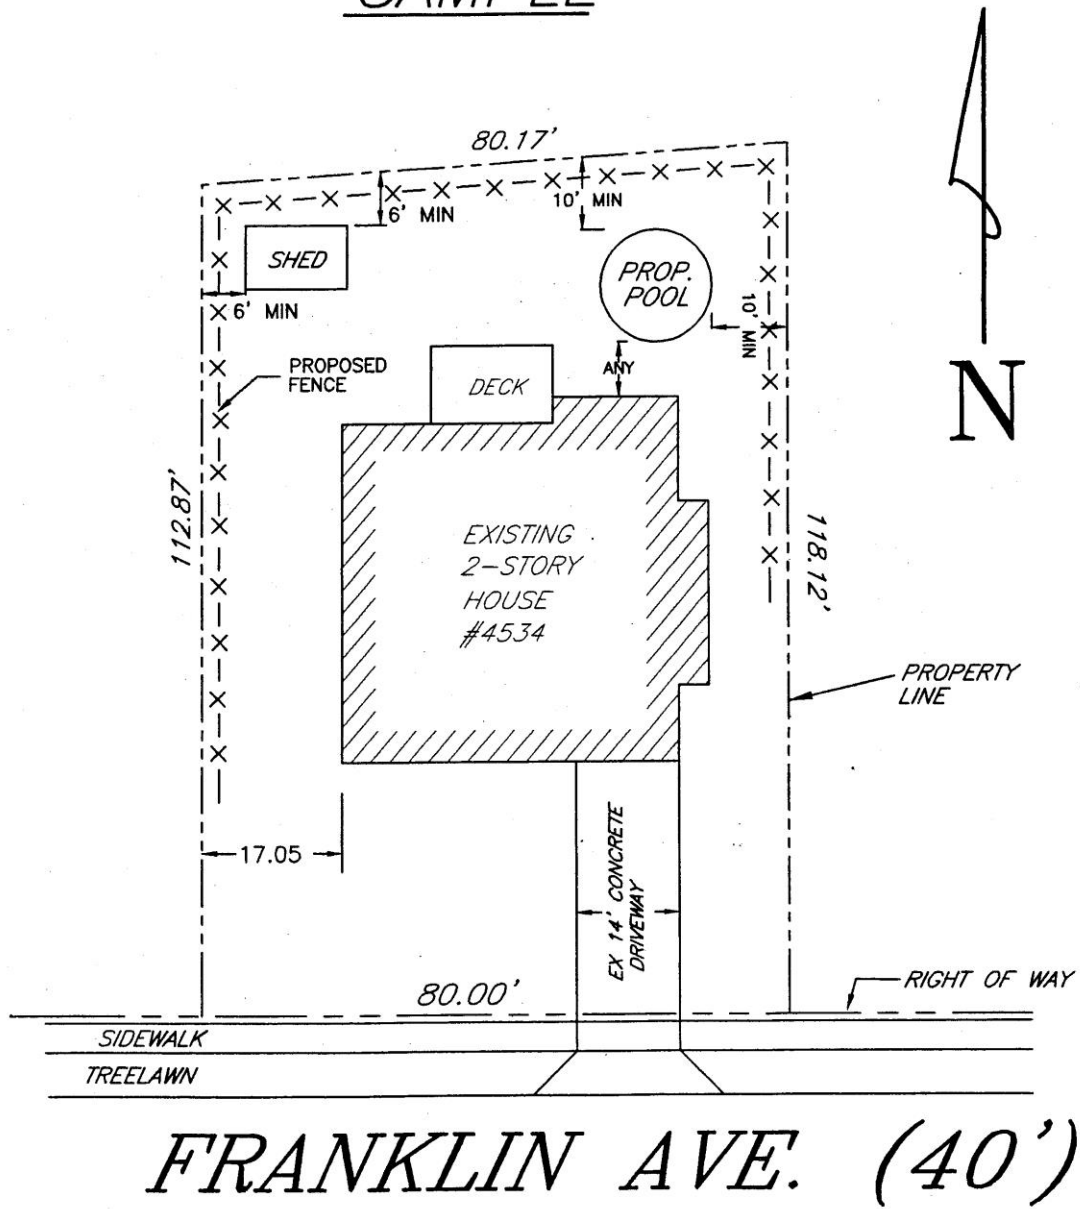

### QUESTIONS?

If you have any questions or require any assistance, please contact the Building Department at 689-2729 or the Planning Department at 689-2819.
