

PLANT A TREE, GROW A LEGACY

City of Stow Memorial Tree Program

Planting a tree is a beautiful and lasting way to honor a friend or memorialize a loved one. If interested, complete the Application below indicating your preferred location and mail or drop off to the address provided. You will not only be giving a perfect gift for a birthday, graduation, wedding, or retirement, but you will also be giving a gift to your community.

All tree plantings (size, variety and location) will be in accordance with the advice and recommendation of Stow’s Landscape Arborist.

Typical tree plantings are 1½ to 2 inch caliper. The cost of each tree is \$200 minimally and includes the tree, mulch for planting, watering bag, and labor of City employees to plant the tree.

Memorial tree plantings may be recognized with a small, ground-mounted plaque, the additional cost of which will be paid by the Applicant.
