Safety Town is a safety education program for children who will be entering Kindergarten in the fall of 2022. Any child who lives in the City of Stow and will be five on or before August 1st, 2022 can attend. The curriculum is varied and includes fire safety, safety belts, pedestrian safety, dog bite safety, bike safety, bus safety, stranger awareness, and playground safety.

Safety Town employs two full-time certified teachers to plan and lead the daily educational process. They are assisted by the Education Specialists from the Stow Fire and Police Departments and many other outside safety experts.

Once your child is registered, you will receive additional information in the mail by May 27th. **An informational session for parents to discuss what your child will learn in Safety Town will be held on Tuesday, June 7th from 6-7pm at the Stow Safety Building in the Community Room.**
