# Leaf Pick Up

P R O G R A M

The City of Stow will once again offer our outstanding residential curbside leaf pickup program in 2023.

We are asking residents to have their leaves placed no more than five feet off the edge of pavement so the leaf collection tube can reach the piles. Leaves will need to be in piles or rows that can be vacuumed with the equipment by 7:00am on Monday, the week of your pick-up. Only ONE pick-up per week.

## Leaf Pick-Up Schedule:
