

3760 Darrow Road, Stow, Ohio 44224

Parks and Recreation: 330.689.5100

Dear Parade Participant,

Thank you for participating in the Stow Fourth of July Parade!

HERE IS YOUR PARADE PERMIT. You will NEED this permit to enter your vehicle into the parade line-up area at Stow Community Shopping Center (Target Plaza). All vehicles registered for the parade must have their parade permit clearly displayed in the front window. **NO other vehicles will be allowed in the line-up area.** Stow Police Department will be on hand to enforce this.

The permit includes your line-up number and where to go in the parking lot. Find your row first (A, B, C,...) and then proceed to the marker with your number in that row. The parking lot map can be found on our website: [Calendar • Stow, OH • CivicEngage \(stowohio.org\)](#)

You will need to park all other vehicles at the Hobby Lobby parking lot and assemble your parade unit and people there. Then make your way over to the lineup area at Stow Community Shopping Center (Target Plaza). **Please ensure all of your group's participants know your row letter and number, as well as the name of your entry.**

Entries that have signed up to be judged **must arrive by 8:30 AM**, ready to be judged. All other entries must arrive in the assembly area by 9:00 AM.

To get to the plaza, please access Kent Road from Fishcreek Road, as Kent Road west of Target will be closed from 7:15 am to 8:30 am, and again from 9:30 am to 12:30 pm, due to the Firecracker Run and the parade.

The success of an event as large and important as this requires the help and cooperation of many. I hope that you will assist us in making this a great day. Please contact me at 330-689-5100 or email parks@stow.oh.us with any questions you might have.

I thank you in advance for your cooperation,

Linda Nahrstedt
