

DECKS AND PATIOS

PERMIT REQUIRED FOR:

- All decks over 30 inches in height require both a Building and Zoning permit.
- All decks under 30 inches in height or patios require a Zoning permit only.

HOW DO I OBTAIN A PERMIT?

You will need to complete an application and submit it to the **Building Department**. It will require:

1. Plot plan

Showing property lines and dimensions and the size and location of the proposed deck, indicating distances from the proposed structure to the property lines.

2. Construction Details

For decks over 30" please submit construction drawings showing elevation views, height and a section view.

3. Project Location Staking

Applicant must mark the proposed deck location by either spray painting or staking on the property and identifying property pins in preparation for City inspection.

4. Payment for Permit

The zoning permit fee is **\$50** and the permit is valid for one year. For decks over 30" additional review fees will be required.

5. Building Inspection

For decks over 30", you will need to call the Building Department at (330) 689-2729 for necessary building inspections.

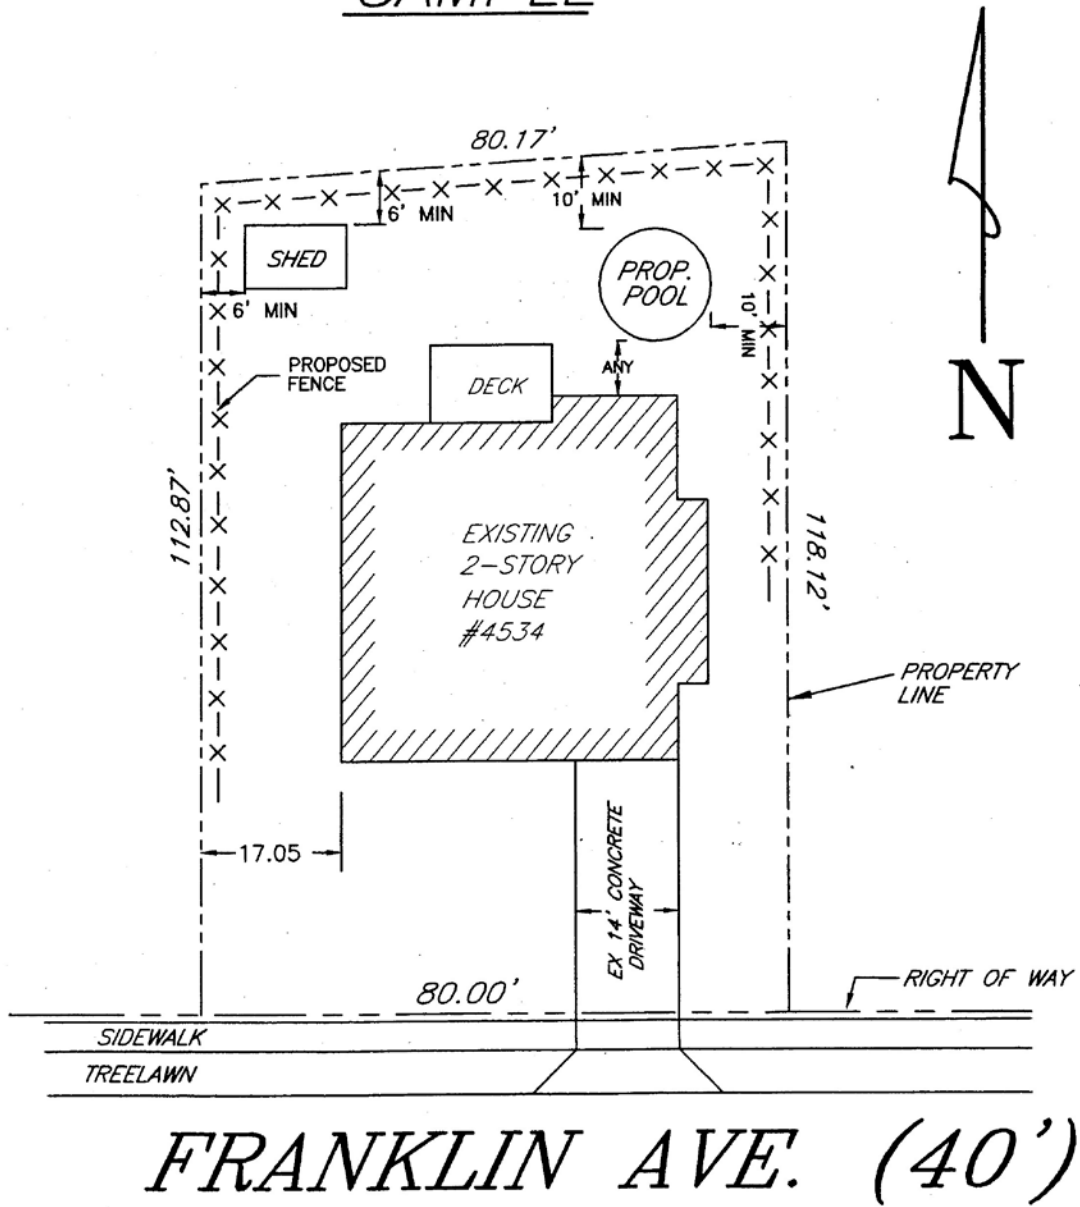

QUESTIONS?

If you have any questions or require any assistance, please contact the Building Department at 689-2729 or the Planning Department at 689-2819.
