Memorial Tree Planting Program

STOW, Ohio (September 26, 2013) – The City of Stow and the Stow Urban Forestry Commission are pleased to announce the reactivation of the Memorial Tree Planting Program.

Planting a tree is a beautiful and lasting way to honor a friend or memorialize a loved one and is a perfect gift for a birthday, graduation, wedding or retirement. In addition to the many benefits a tree provides, a tree is a daily reminder of the cycle of life and brings a lifetime of beauty to the community.

The cost of each tree is \$200, which includes purchase of the tree, mulch, watering bag, and labor of City employees to plant and maintain the tree. Applicants can also install a small, ground-mounted memorial plaque at their cost.

Suitable locations for planting are:

1. Adell Durbin Park
2. Stow City Hall
3. Crestdale Park
4. Fire Station #2 – Hudson Drive
5. Fire Station #3 – Fishcreek Road
6. Fishcreek Road Detention Basin
