Bond Number: _____ Expiration Date: _____

In accordance with C.O.S. 901.04 (D) a deposit is required for excavations, improved drive approaches, and curb cuts (and in accordance with C. O.S. 965.04 (9), (10) a deposit is required for road construction) to indemnify the City against damage as a result of work done in the right of way or to be used to offset additional inspection services and/or labor and material costs associated with the proper restoration of the disturbed area.

I hereby acknowledge that I have read and understand the restoration and installation procedures and will comply with such procedures. I realize that non-compliance will result in a partial or complete forfeiture of the cash deposit or will result in a claim against my bond. All exceptions to the standard drawings must be approved by the service department.
