

**Exhibit 3**

**Notice of Assumption and Assignment (Assigned Customer Contracts)**

On or before August 23, 2018, FirstEnergy Solutions received offers to purchase its Retail Power Sales Assets from Exelon Generation Company, LLC (“Exelon”). Your contract with FirstEnergy Solutions will be transferred to Exelon’s subsidiary, Constellation NewEnergy, Inc. The transfer of your contract would occur as soon as possible after the transaction closes, but on a date for reading electric meters that is at least thirty (30) days after the date of this notice.

**Please be assured that there will be no interruption of service under your electricity contract as a result of this sale process. You will not need to take any action to switch to the new electricity supplier assuming FirstEnergy Solutions’ contracts. To the extent that you receive an invoice directly from FirstEnergy Solutions, you will be advised of a new payment address.**

FirstEnergy Solutions has established proposed procedures to transfer its retail electric service customer contracts (collectively, the “Customer Contracts”) to Exelon. The procedures include a process to ensure that retail customers, such as yourself, receive notice that their Customer Contracts will be transferred and assigned to another electricity supplier after an auction (the “Successful Bidder”). **Exelon is a qualified competitive retail electricity supplier<sup>2</sup> that has agreed to provide your electricity service on the same rates, terms and conditions in your current customer contract with FirstEnergy Solutions. Other than the change in your retail electricity supplier, your electricity service will NOT be affected by this sale. You may have related rights as a consumer of electricity under state law and regulations (as those rights may be impacted by the Chapter 11 Cases).**

**If you do not object to the transfer of your Customer Contract to Exelon, on the same rates, terms and conditions that you have already agreed to with FirstEnergy Solutions, you do not need to take any action in response to this notice. As stated above, only the provider of your service will change, and you will see the new supplier’s name and/or logo on your bills going forward after assignment. Your service will continue on the same rates, terms and conditions in your current electric service contract. For any accounts currently invoiced by FirstEnergy Solutions, you will be advised of a new payment address.** Be aware that, if you do not file an objection to the assignment of your Customer Contract by **September 14, 2018 at 4:00 p.m. (Eastern Time)**, you will not be able to object to the assignment later in these Chapter 11 Cases. As noted above, you may have related rights as a consumer of electricity under state law and regulations (as those rights may be impacted by the Chapter 11 Cases).

If you object to the transfer of your Customer Contract to Exelon, your objection must (i) be in writing, (ii) be filed with the Bankruptcy Court, and (iii) be served as described below, so as to be actually received by **September 14, 2018 at 4:00 p.m. (Eastern Time)** (the “Assumption and Assignment Objection Deadline”). If you file an objection you must clearly explain the reason for your objection. All objections to the proposed assignment of your Customer Contract will be heard by the Bankruptcy Court at the Sale Hearing.
