Scott Foltz Stow Resident

Route 59/Kent Road

Scott is a Stow resident and he is in a wheelchair. He reported that the sidewalks on the north side of Route 59/Kent road have major problems that prevent him taking his daughter to school, as the wheelchair is unable to make it. Also the sidewalk leading up to Indian Trail is slanted to a level that a wheel chair would tip over. Dawn offered to call the Stow Munroe Falls School Board.

The Commission the City regarding sidewalk repair.

SOAR Playground

Scott also mentioned that there are some big gaps in the sidewalks at Soar Playground that need repaired.
