

Christmas Eve Jingle

Welcome Santa to Stow on Christmas Eve!

**A new tradition started here in Stow last year
of ringing bells to help Santa fly his sleigh!
Let's continue the tradition this year!**

We are asking that all residents step outside of their homes on **December 24 at 6 p.m.** and ring bells to help Santa fly his sleigh.

We will ring our bells for two minutes!

Need a bell? Don't worry! Bells are available at Stow City Hall and will also be distributed at upcoming city events in the community.

Thank you for your participation.

Happy Holidays
